

Church at Home

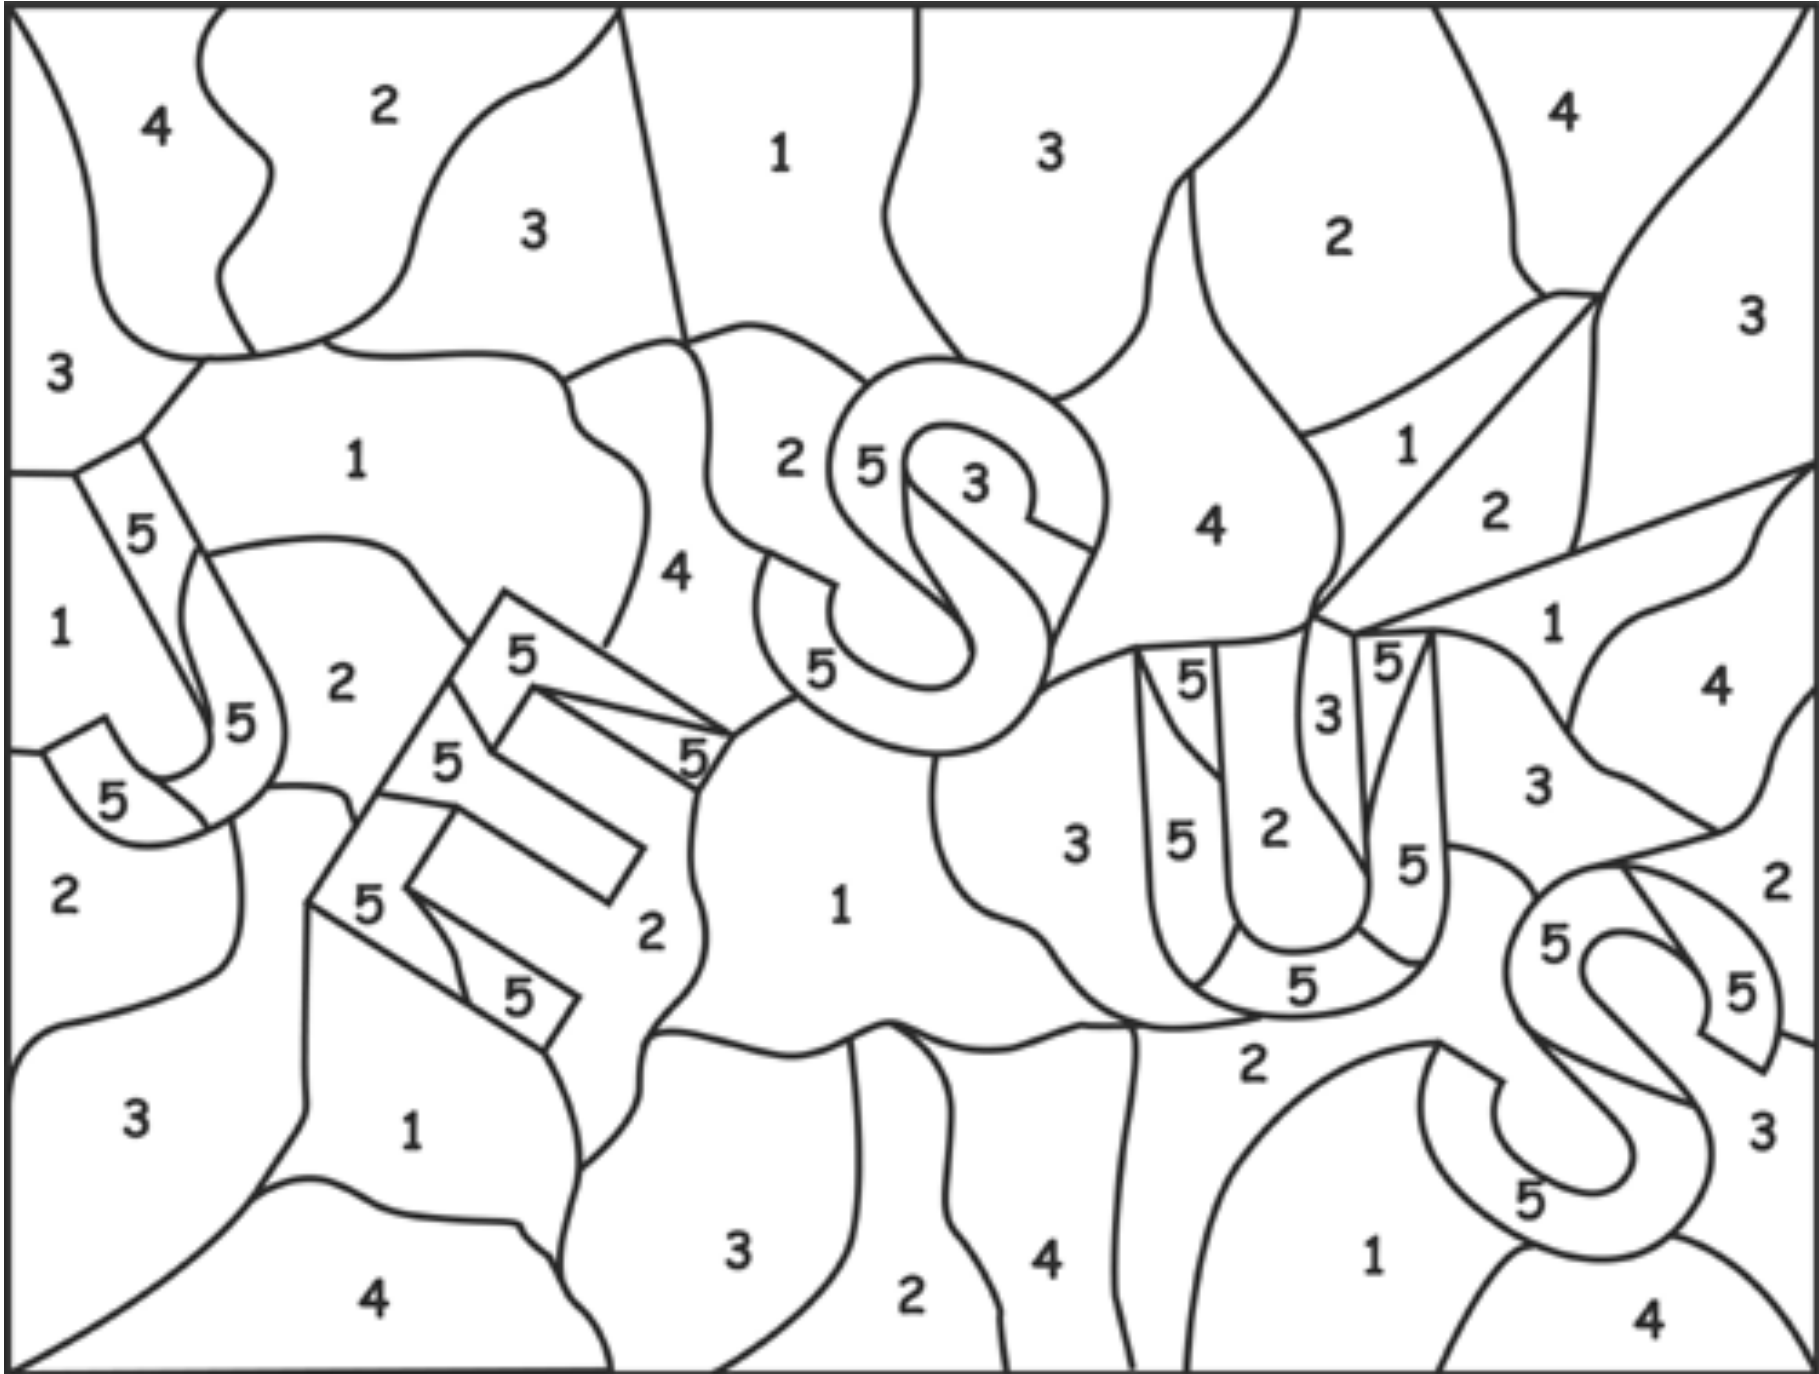

Acts 5:12-15

Good morning, Freedom Kids!

Today we will be thinking about one part of what it means to be members of the church – the worldwide family of people who follow Jesus.

We have two colouring sheets for you and two **drawing challenges**:

- **Challenge 1:** What is a miracle? Discuss what you think this word means. Can you remember any Bible stories that have miracles in them? Draw a picture from one of these stories and chat about it together.
- **Challenge 2:** Is there anyone you know in your family who has experienced a miracle? If so, talk together about what happened. If not, take a look at this video of Jesus healing a lady of back pain in Portsmouth in 2013: <https://www.youtube.com/watch?v=wW2lgE78qzQ>. Who do you know who needs a miracle from Jesus? Draw a picture of them and put it on the fridge to remind your family to pray for them every time anyone gets the milk out of the fridge! Are there any other ways you can pray for them?

Jesus' disciples preached in the temple almost every day, and more and more people became followers of Christ!
