

## **Church at Home**

Luke 5: 27-32

In today's Bible Story, Jesus eats with tax collectors. What do you think they might have eaten? What do you like to eat? Fill the plate below with your favourite meal. You could draw it, paint it or use different craft materials. You could even make it out of playdough! Remember not to eat it really though!

Make your own Superhero mask to be a Prayer Superhero too. You can use elastic or a lollipop stick to be wear it. You could wear it every Sunday during the live show too! We'd love to see pictures so if you'd like to share your mask then send a photo to <a href="mailto:freedomkids@freedomchurch.uk">freedomkids@freedomchurch.uk</a>.
